

TAGORE DENTAL COLLEGE AND HOSPITAL

2.5.1 ACADEMIC CALENDAR

The college academic calendar is planned well ahead and published in the calendar and uploaded in the website. The Principal on consultation with the Heads of department and Dental education unit plan the academic calendar about the summer and winter holidays, terminal examinations to be conducted, seminars every year, co-curricular activities and competitions and programs to be conducted. This calendar with the terminal exams and teaching schedule is made available to the students to organize the learning process and the implementation of the complex schedules is simplified. The staffs are also aware of the time frame to complete their portions.

A model examination the end of the academic year follows three terminal examinations and routine class tests and viva. Exam Dates are strictly adhered to the plan.

Commencement of the course - The First BDS course starts in the first week of September every year.
