STUDENTS PROGRESSION TO FURTHER STUDIES

The students after completion of BDS degree join further studies either in Dentistry or in any other allied sciences in India and abroad. Most of the students appear for NEET entrance exams for post-graduation studies. NEET coaching is also being conducted in the college for the CRRI students. Many of our alumni have obtained good scores in NEET and have obtained admission is prestigious institutions and in Government colleges. Some of our college alumni are doing Hospital management, Public health, cancer biology etc. in India and abroad.

RESEARCH & PUBLICATIONS

Students are encouraged to do research. With this in mind NPTEL courses of Introduction for Research and Health Research Fundamentals are made compulsory for the third and final year students. The students from the first year onwards are motivated to do research projects. So far there has been 127 projects initiated by the students and 86 articles have been published by the students. The cost of publication is borne by the college. Best research proposal by the student and best research article published by the student are awarded every year.
