

**2.4.4 Average percentage of teachers trained for development and delivery of e-content / e-courses during the last 5 years:**

In our Dental college, we do our own Powerpoint presentations. Our college has 5 classrooms fitted with audio-visual aids, 4 seminar rooms with visual aids.

**E-learning** is used by the staff for teaching. Prerecorded CD's, live surgical procedures, video lectures, webinars, powerpoint presentations of lectures are available in our central library. DRSR-JAPAR software enhanced library is equipped with lecture notes, PPTs, Question banks, seminars, videos to enable the students for remote access to gain knowledge and prepare for their exams.

We do it without getting training from outside.
