

TAGORE DENTAL COLLEGE & HOSPITAL

Date: 31.12.2019

Equipment usage policy.

The institution purchases equipments for the usage of staff and exposure to students as per DCI norms.

Staffs use all the expensive and exclusive equipments for patient treatment and demonstrate its usage to the third and final year students. CRRIs Students who have completed their quota of work in the department and competent, get to work on these equipments under the guidance of the staffs. All CRRIs assist the staffs while treatment is done using special equipments. Post graduate use these equipments on a regular basis while treating patients.

Registers are maintained for these expensive equipments and the usage time is noted.
