2.	ADMISSION PROCESS- POST- GRADUATE (MDS)

1. ADMISSION - UNDERGRADUATE (BDS)

The college admission is 100 per year, and since the college is affiliated to the State owned The TN Dr MGR Medical university, 65 seats are admitted by the Government Merit list through centralized counselling and the remaining 35 seats are also admitted through Government counselling for the management quota. The State Government policy of reservation is followed with **69% reservation category (i.e., 30%- BC, 20% - MBC, 18% - SC, and 1% ST) and 31% Open category** . The fee structure of both the Government quota and Management quota is fixed by the fee fixation committee appointed by the Government of Tamilnadu, which changes yearly.

Students who have passed the NEET qualifying examination and have passed 12th Board examinations only are eligible to apply for the BDS course. 50% is the eligibility for all students except for SC and ST students 40 % is the eligibility criteria. Qualified NEET students, who have passed their 12th Board examinations, have to apply to the Tamil Nadu State Government -Medical Education Department for centralized counselling, both for the government quota and management quota. The State Government prepares a merit list according to the NEET qualifying marks and calls the students for counselling for both the state government quota and management quota.

ELIGIBILITY FOR ADMISSION

The Tamil Nadu Dr.M.G.R Medical University stipulates the following Eligibility criteria for admission to the BDS course: Candidates with 50% marks on aggregate in Physics, Chemistry, Biology (Botany/Zoology) and English at the qualifying examination at the end of 12 years of study for all categories except for scheduled caste and tribe who are eligible with 40% aggregate. Graduate students should have one of the following subjects as major viz. Physics, Chemistry, Botany, Zoology or should have passed the earlier qualifying examination with the above subjects. Students who have studied abroad, the equivalency of qualification as determined by the Association of Indian Universities and should have passed in the subjects of Physics, Chemistry, Biology and English upto 12th standard with 50% marks. Candidates should have completed the age of 17 years at the time of admission or complete the age on or before 31st December of the years of admission to the first year BDS course. The students who want to join BDS should appear for the NEET examinations and should have qualified in that.

2. ADMISSION – POSTGRADUATE (MDS)

ELIGIBILITY FOR ADMISSION

A candidate for admission to the Master in Dental Surgery course, must possess a recognized degree of Bachelor in Dental Surgery awarded by a university in India and registered with the State Dental Council and has obtained provisional or permanent registration and has undergone compulsory rotatory internship of a year in an approved/recognized dental college:

SELECTION OF CANDIDATE

There shall be a uniform NEET qualifying examination for admission to the post-graduate dental courses in each academic year conducted in the manner, as prescribed by the National Board of Examination or any other authority appointed by the Central Government in this behalf. The overall superintendence, direction and control of the NEET shall vest with the Council.

QUALIFYING CRITERIA FOR ADMISSION

(1) The candidate has to secure the following category-wise minimum percentile in NEET for admission to post-graduate courses held in a particular academic year. a. General- 50th Percentile b. Person with locomotory disability of lower limbs - 45th Percentile c. Scheduled Castes, Scheduled Tribes, Other Backward Classes- 40th Percentile Provided that the percentile shall be determined on the basis of highest marks secured in the All-India common merit list in NEET for post-graduate courses: Provided further, that when sufficient number of candidates in the respective categories fail to secure minimum marks as prescribed in NEET held for any academic year for admission to post-graduate courses, the Central Government in consultation with the Council may, at its discretion lower the minimum marks required for admission to post-graduate courses for candidates belonging to respective categories and marks so lowered by the Central Government shall be applicable for the said academic year only.

(2) The reservation of seats in dental college/institutions for respective categories shall be as per applicable laws prevailing in States/Union territories. An all India merit list as well as State-wise merit list of the eligible candidates shall be prepared on the basis of the marks

obtained in NEET Test and candidates shall be admitted to post-graduate courses from the said merit list only. Provided that in determining the merit of candidates who are in service of Government/public authority, weightage in the marks may be given by the Government/competent authority as an incentive upto 10% of the marks obtained for each year of service in remote and/or difficult areas upto the maximum of 30% of the marks obtained in NEET. The remote and difficult areas shall be as defined by State Government / competent authority from time to time.

(3) A candidate who has failed to secure the minimum percentile as prescribed in these regulations shall not be admitted to any post-graduate courses in any academic year.
