PROSTHODONTICS	93
CONSERVATIVE DENTISTRY	80
ORAL SURGERY	71
PUBLIC HEALTH DENTISTRY	92

First year and final year students of the regular batch writing their exams in August 2015 have fared poorly. Second and third year students have done better. The August batch has fared better than February batch because they are the regular batch and the February batch is the additional batch or students who have failed earlier.

In the final year exams students have scored poorly in Pedodontics and Oral surgery.

The first year students are new to college and takes time to prepare for professional exams.

The final year students appear 8 subjects and hence difficult to pass.

## RESULT ANALYSIS NEET STUDNETS

### PASS PERCENTAGE IN AUGUST EXAM NEET STUDENTS:

Examination Year	I BDS			
	Appear	Passed	%	Marks %
August				
2018	89	87	98	74
2019	61	54	89	82

### PASS PERCENTAGE IN AUGUST EXAM WITHOUT NEET STUDENTS:

Examination Year	I BDS			
	Appear	Passed	%	Marks %
August				
2017	77	76	99	76

There is not much of difference between NEET qualified students and the students admitted based their qualifying board marks in the previous years.
