ROTARACT CLUB OF TAGORE DENTAL COLLEGE AND HOSPITAL – “ROTAG”

“Kindness is the golden chain by which the society is bound together”

The college has been providing service to the community since 2007. In 2019, the college marched a step further to introduce a Rotaract club in the college titled “ROTAG” sponsored by the Rotary club of Madras, Northwest. Rotaract is a non-governmental organization which strives to provide volunteering services to the public and it is also a youth service organization where youngsters around the world work for a cause.

The club aims at serving the underprivileged group with its primary objective to develop among the students, a feeling of responsibility towards oneself and people-en-mass. It extends its wings in promoting volunteering services towards environmental health and sanitary hygiene. Alongside, it provides regular free dental checkup, awareness and treatment camps for the benefit of the people in the community. In the interest of self-capacity building, ROTAG provides opportunities to young doctors to develop a strong career by fine tuning themselves towards their professional goal.

ORIENTATION FOR “ROTAG”

Date: 17.06.2019

An orientation program was conducted on 17th June 2019 to introduce, orient and educate the students and staffs of the college about Rotaract services. 4 guest speakers chaired the session enlightening the students on the activities of rotaracters.
