ALTERNATE SOURCES OF ENERGY

Conservation of energy is our watch word. Energy conserved is energy produced. Steps are taken for conserve energy in the institution.

1. LED bulbs are used.
2. Solar lighting for roads.
3. Boards to switch off lights and fans when not in use in classrooms and labs and also in hostels.
4. Do not waste water boards in college and hostels.
5. Waste water from RO plant put back in circulation.
6. Ban of single use plastic items.

Students are regularly reminded about energy conservation and protect our natural resources.
