DETAILS OF ICT-ENABLED TOOLS USED FOR TEACHING AND LEARNING

In order to be prepared for the advancement in technologies, students must now acquire and master the newest technology. In order to engage students in long-term learning, staffs are fusing technology with conventional modes of education. Information and communication technology (ICT) is used in our institute to assist, improve, and optimise the way that education is delivered.

The following tools are used by the Institute:

1. Projectors - **10** projectors are available in different classrooms and departments.
2. Desktop and Laptops- Arranged at each department.
3. Printers- They are installed at library, departments and administrative office.
4. Photocopier machines - Multifunction printers are available at administrative office and library.

There are **2** Photostat machines available in campus.

5. Scanners- Multifunction printers are available at administrative office and library.
6. Seminar Rooms- Four seminar halls are equipped with all digital facilities.
7. Auditorium- It is digitally equipped with mike, projector, cameras and computer system.
9. Online Classes through Zoom, Google Meet, Microsoft Team, Google Classroom)
10. Digital Library resources (JAPAR Software).

Use of ICT by Faculty:

A. POWERPOINT PRESENTATIONS - Faculties are encouraged to use power-point presentations in their teaching by using projectors. They are also equipped by digital library, online search engines and websites to prepare effective presentations.

B. ONLINE QUIZ- Faculties prepare online quiz for students after the completion of each portions with the help of GOOGLE FORMS.

C. VIDEO CONFERENCING- Online classes are taken during COVID – 19 Pandemic with the help of Zoom / Google meet applications.

D. VIDEO LECTURE- Recording of video lectures is made available to students for long term learning and future referencing.
