The screenshot shows a Google Meet interface. At the top, it says "Gayathri V. A. M is presenting". The main content is a presentation slide with the title "What is provisional restoration". The slide text includes: "It is a restoration which is fabricated for a particular period of time until definitive restoration is fabricated. It is fabricated immediately following tooth preparation preferably in the same appointment." and "Ideal requirements of provisional restoration These can be classified as: 1. Biologic requirements 2. Mechanical requirements 3. Aesthetic requirements". The right side of the screen shows a grid of participant avatars. The bottom of the screen displays meeting controls like "Raise hand", "Turn on captions", and "Gayathri V. A. M is presenting". The system tray at the bottom shows the time as 11:04 AM on 3/7/2021.

The screenshot shows a Google Meet interface. At the top, it says "janisha mahalingam is presenting". The main content is a presentation slide with the title "CASTING DEFECTS" in large red letters. Below the title, it says "Irregularity in the metal casting procedure that is very undesired". The right side of the screen shows a grid of participant avatars. The bottom of the screen displays meeting controls like "Raise hand", "Turn on captions", and "janisha mahalingam is presenting". The system tray at the bottom shows the time as 10:29 AM on 3/7/2021.
