Blood donating is all about gifting life to other people and Blood donation is the greatest donation and a noble step in the service of humanity. Students and staff members who were willing to donate their blood were requested to give their names before the camp. It was held in Dr. A. P.J Abdul kalam auditorium at Tagore Dental College and Hospital. The camp was inaugurated at 9.30AM by the Principal of Tagore Dental College and Hospital Dr.C.J. Venkatakrishnan. A team of 11 doctors and nurses from Tamil Nadu Dr.M.G. R Medical university came for the collection of blood. The doctors also informed the donors that donating blood does not weaken the donors and the recovery takes place very soon. Doctors used sterile instruments for collecting blood to ensure the safety of the donors. After checking the temperature, the donors were allowed inside the auditorium. About 54 volunteers had volunteered for blood donation. A detailed case history on vaccination, surgeries before 6 months, previous history of donating blood, accidents or traumas before 6 months was recorded. Checking weight, Blood pressure and haemoglobin estimation was done for all the volunteers. Collection of blood was done only on eligible volunteers. Out of 54 volunteers only 23 were eligible for donating blood. A certificate of appreciation and refreshments was given to each donor as a token of gratitude. We thank our Chairperson Prof M. Mala mam and Principal Dr. C.J Venkatakrishnan sir for encouraging and giving us an opportunity for organizing this program.
