<b>PARTICIPANTS</b>	<b>BDS STUDENTS, INTERNS, TEACHING AND NON- TEACHING STAFF OF TAGORE DENTAL COLLEGE AND HOSPITAL</b>

## **REPORT**

Blood donating is all about gifting life to other people and Blood donation is the greatest donation and a noble step in the service of humanity. A blood donation camp was organised by NSS team of Tagore Dental College and Hospital along with Dept of Transfusion medicine, Tagore Medical College and Hospital and Tagore Nursing college. Students and staff members who were willing to donate their blood were requested to give their names before the camp. It was held in Dr. A. P.J Abdul kalam auditorium at Tagore Dental College and Hospital. The camp was inaugurated at 9.30AM by the vice principal research of Tagore Dental College and Hospital Dr.Jimson and Dr. Kumudha Lingaraj, Dean, Tagore Medical College and Hospital. A team of 10 doctors and nurses from Tagore Medical College and Hospital came for the collection of blood. The doctors also informed the donors that donating blood does not weaken the donors and the recovery takes place very soon. Doctors used sterile instruments for collecting blood to ensure the safety of the donors. After checking the temperature, the donors were allowed inside the auditorium. About 34 volunteers had volunteered for blood donation. A detailed case history on vaccination, surgeries before 6 months, previous history of donating blood, accidents or traumas before 6 months was recorded. Checking weight, Blood pressure and haemoglobin estimation was done for all the volunteers. Collection of blood was done only on eligible volunteers. Out of 34 volunteers only 25 were eligible for donating blood. A certificate of appreciation and refreshments was given to each donor as a token of gratitude. We thank our Chairperson Prof M. Mala mam and Principal Dr. C.J Venkatakrishnan sir for encouraging and giving us an opportunity for organizing this program.
