Key points discussed :

The key points discussed during the dental hostel committee meetings in the year 2021 were:

- a) The ways to improve the quality and quantity of food.
- b) To provide better sanitation in the hostel
- c) To provide better hygiene and cleanliness in the hostel
- d) Students to maintain discipline and confine to the timings of Breakfast , Lunch and Dinner

Improvements done :

A change in the menu as requested by students was done. Acid washing of all the washrooms were periodically done. The students were allowed on a limited basis with prior permission from their respective mentors to purchase the stationaries. The students were asked to maintain decorum and discipline within the premises of the hostel and college. Students were warned to switch off the fans and lights when they exit their respective rooms, if not they will be fined for such actions. Students were also asked to maintain their rooms clean and also maintain all the repair works done. Water heaters have been fixed. Mosquito nets have been furnished in all the rooms and the students were warned to take good care of those if not they will be fined. The catering In charges accepted the request of providing night tea to students while preparing for their University exams. Students were asked to be warned to switch off the Water heaters,. All the requestsby the students regarding hostel was taken up seriously and actions were taken spontaneously.

Amendments in the Committee Members:
