J. H. H. / 1974

PROGRAM DETAILS:

The **World Health Day** is a global health awareness day celebrated every year on 7 April, under the sponsorship of the World Health Organization (WHO), as well as other related organizations. The World Health Day is held to mark WHO's founding, and is seen as an opportunity by the organization to draw worldwide attention to a subject of major importance to global health each year.

NSS unit of Tagore dental college and Hospital along with Department of Public health dentistry organized an awareness and screening camp for general public in keelakottiyur village on account of World health day.

A team of 3 house surgeons along with two staffs from department of public health dentistry visited keelalottiyur village. Awareness talk on healthy lifestyle practices and measures to maintain good oral health was delivered to gathered village people.

Pamphlets in Tamil depicting healthy habits and preventive oral health measures were distributed to the public to increase their awareness about the current situation.

Finally oral screening was conducted to all gathered public and patients with oral problems were referred to Tagore dental college and hospital for treatment.

NSS unit of Tagore dental college and hospital heart fully thank all the students for their active participation and our chairperson Prof. Mala mam and principal Dr. C. J Venkatakrishnan sir for giving us an opportunity to conduct this program.
