## How do you think you can contribute to growth of college?

These are the following suggestions given by the parents:

- I will suggest this college to others.
- Everything good. Parents friendly. Satisfied.
- Interaction /participation in the PTA meetings will always benefit students, faculties and management. Congratulate to Tagore team for extending wonderful classes conducted in spite of the pandemic.
- By utilizing the facilities to fullest by the student and serving the patient who come for service.
- Suggest this college for upcoming students.
- The management, all faculty members and administrative staffs are doing their jobs in excellent manner. My best wishes to the entire team am happy to select this college to my ward study.
- In hostel, each room need rest room.
- By participating the meetings which conducted by the institute, paying the college fees on time and keep touching with the staff and giving ideas to growth of the college.
- By making my child to perform well in studies.
- The facilities of college are good.
- Growth of college depends on education. Parents should continuously know about how their children is performing during class hours and lab hours and also in the exams. Frequent communication can helps us to know about the child better.
- PTA meeting to be organized very frequently to discuss about performances of student and college.
- Active participation in PTA and interaction with college faculty and staff.
- I'm satisfied with the college growth and facilities.
- Classroom should be facilitated much more and students need rack case for their instruments.
- Try to resolve if the grievances given as soon as possible.
- Bus facility must be improved especially for kanchipuram route.
- I advised most of the NEET passing students are confused about the college selection. I strongly prefer Tagore, is best college for dental so good get admission in college.
- Infrastructure and dental instruments given by college can be advanced.
- I can suggest few of my friends and neighborhood to choose this college.
- We will tell others about the quality of education, good infrastructure good faculties. So that it will reach and more in public and students will prefer to join in future.
- Through constant feedback and encourage, recommend to TDC.

- If the management increase the standard of Instruments given to students and quality of life food, it will be more welcoming.
- Good education with all facilities and, talented Professors.
- Hostel facilities to be improved.
- By encouraging my child to perform better in her academics.
- Spreading awareness about dental hygiene.
- Recommend to others by giving good opinion about the college.
- Equal participation in all events of the college PTA& by faculty interaction.
- Repeatedly in touch with the parents regarding the student growth.
- I like the system of teaching and other things in this college .So I recommend this college to my friends, relatives and neighbors.

### Sub: Reply for the feedback committee

- Attached restrooms were provided in Post Graduates room. Common restrooms were cleanly maintained in hostel. We are planning to construct extra rest room in future.
- PTA meeting organized twice in a year. Apart from that, attendance and marks of the students were informed to their parents then and now through mentees parent's whatsapp group. Suggestion to plan one more meeting has been requested to Internal Quality Assurance Cell.
- Wi-Fi has been installed in all class rooms. Smart class room will be planned for upcoming year.
- Regarding buses and hostel improvement suggestions have been forwarded to respective committees.
- Grievances were forwarded to respective committees immediately and actions were taken amidst of their regular academic activities.
