**ACTION TAKEN ON THE PREVIOUS MEETING:**

PGs were asked to report back to college along with their COVID - 19 negative reports and it was made mandatory for the staffs and the PGs to get vaccinated and furnish their vaccination reports before joining back in the college. Standard SOP was being followed by the postgraduates and staffs as per the instructions of the Director of medical education (DME) for the smooth functioning of patient treatment. As per the recommendations of the previous DEU meeting the postgraduate students were provided with PPE kits and autoclave gowns, face shield, considering the COVID-19 situation prevailing in the country with following of proper safety protocols at the workplace. The department of orthodontics conducted online webinars as suggested in the previous meeting and the reports were furnished. The programs planned and conducted by various departments were also reviewed as per the programs decided in the previous meeting.

**Addressing Agendas for the present meeting dated 22.6.2021**

**Education 4.0** was discussed with suggestions to implement the protocols in our college.

- The main goal of education 4.0 a transformational change driven by the use of advanced digital technologies that places the learner at the center of the teaching-learning process enabling him to govern his own academic development towards his unique goals.
- It emphasizes the need to prepare students to take on challenges, head-on. To keep up with the change, one has to revisit the traditional educational paradigms with a futuristic approach.

- The initiative will drive impact through four interconnected interventions:

#### **SALIENT POINTS FOR EDUCATION 4.0**

- Implementing new measurement mechanisms for Education 4.0 skills
- Mainstreaming technology-enhanced Education 4.0 learning experiences
- Empowering the Education 4.0 workforce.
- Setting Education 4.0 country-level standards and priorities.

#### **PHYSCHOMOTOR SKILL DEVELOPMENT:**

- The discussion regarding how to conduct practical classes at home for the students of Tagore dental college was done.
- Suggestions were made that the students willing to do preclinical exercises to arrange models/ typho/casts for cavity preparations from nearby clinics and dental depots for students.
- A list of exercises to be decided and prepared for the students from every department to be listed out.
- Student suggestions will also be welcomed and their response to be taken and also the feasibility to be checked before finalizing the above stated suggestion.

#### **INTERDISCIPLINARY COURSES:**

- The exercises for the existing postgraduates as planned by each department to be carried out as per schedule submitted by each department. (For advanced exercises).

#### **APPROVAL OF NEW COURSES:**

- Approval for conducting webinars (web based interdisciplinary courses) such as
  - Suggestions were given to conduct webinars on “Stainless steel crowns” from the department of pedodontics.
  - Suggestions were given to conduct webinars on “management of Endo-perio lesion/ Flap/crown lengthening/ curettage etc. with an introduction course followed by advanced course.

#### **MODEL EXAMS FOR THE PRESENT EPGG's**

- The model exam dates for the exam going postgraduate students were suggested, model exams to be conducted were informed to every department. The dates of model exam were noted down as given by the specific department.

#### **ANY OTHER MATTER:**

- The difficulties faced by staffs and students were also addressed and suggestion to make online classes more interactive were also addressed.
