Welcome address was given by Prof.Dr.S.Jimson. The Principal Prof.Dr.Chitraa R. Chandran, addressed the gathering and gave an insight into the scope of the program.

The first lecture of the program began at 10.15am and Prof.Dr.S.Jimson moderating today's sessions.

The first presentation was given by Dr.Prabhu Rajkumar, Scientist – D, ICMR, NIE, on the topic “General principles of biomedical research involving human participants - Ethics review procedure, Responsible conduct of research and informed consenting”. The lecture was followed by a discussion session.

The second lecture was presented by Dr.Rizwan Suliankatchi, Consultant-1, ICMR, NIE, on the topic “Science in ethics review process”. The lecture was followed by a discussion. A short tea break of 15 minutes was allowed after the second lecture.

The third lecture of the program started by 11.45 am. The lecture was presented by Dr.Saradha Suresh on the topic “National ethical guidelines for biomedical research

involving children”. The lecture was followed by a discussion.

The Fourth lecture was presented by Dr. G.Narendran, on the topic “Guidelines and regulations regarding conduct of clinical trials including the ICH-GCP and Indian GCP guidelines and NDCT rules 2019”.

The lunch break was provided between 1.00pm - 1.45pm.

Fifth lecture was given by Dr.Rajalakshmi, on the topic “Vulnerability, public health research and social and behavioral science for health”. The lecture was followed by a discussion.

The sixth lecture was by Dr.Sirshendhu Chaudhuri, on the topic “Guidelines on research integrity and publication ethics”. Following the lecture there was a discussion session during which the Principal Dr.Chitraa R. Chandran raised doubts on the ethics of publications, which was clarified by the speaker in the discussion session.

The final lecture for the day was given by Dr.Naziya, Scientist-B, ICMR-NIE, on the topic “Special issues in dental research”. The lecture was followed by a discussion session.

The program was attended by 41 Staff members, 30 post-graduate trainees from Tagore Dental College. There were 17 staff faculties and 20 post-graduate trainees from various other dental colleges. The program received a good feedback from the participants.
