

Department of Conservative Dentistry & Endodontics

Webinar - Root Canal Treatment

Sponsored by Colgate

A Webinar on Endodontics was organized by Department of Conservative & Endodontics , Tagore dental College & Hospital presented by Dr. Vivek Hegde on 14th November 2017 between 10.30am to 1.00pm.

All the topics on the steps involved in the root canal procedures were covered. It was an interesting & useful webinar presentation for the 100 undergraduates who attended the program.

Following the presentation there was an interactive session with the speaker by various students and faculty from different colleges across the country.
