

# Tagore Dental College & Hospital

Department of Periodontics, Tagore Dental College, Rathinamangalam

Live Webinar by Dr.Shruthi.S, M.D.S.

15.05.2021, Saturday, 2 pm to 3 pm

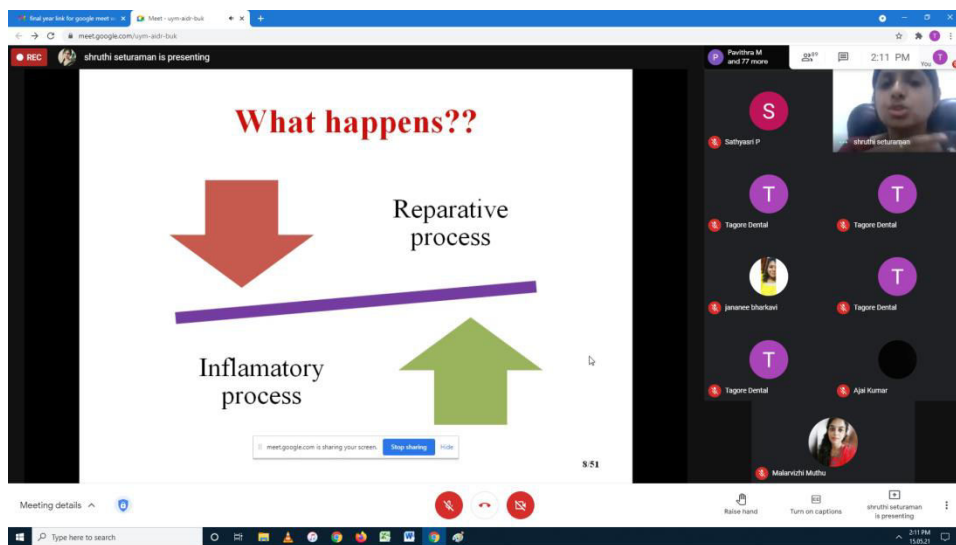

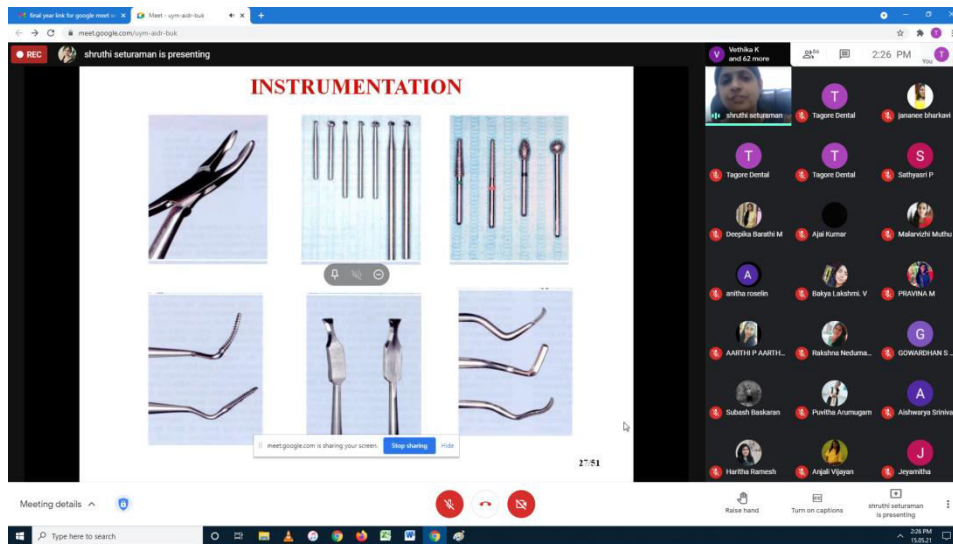

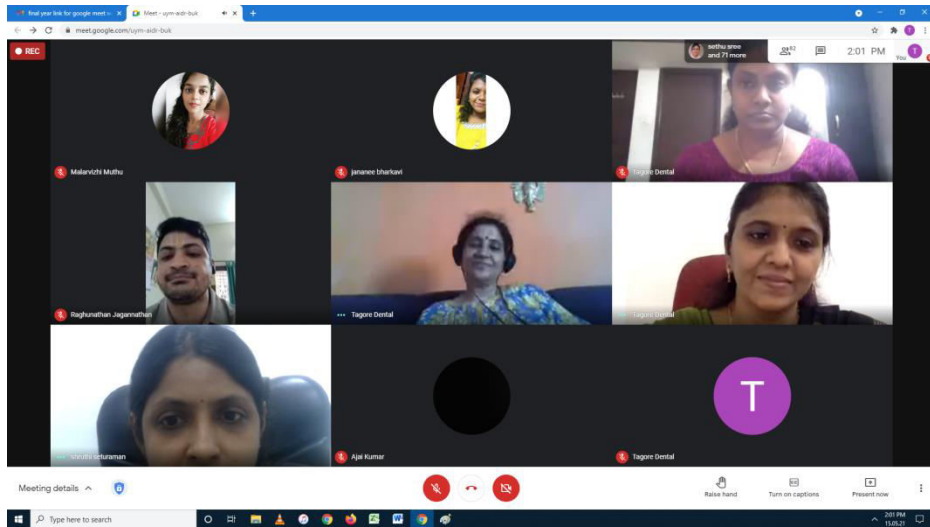

The Department of Periodontics, Tagore Dental College & Hospital organized a Live Webinar via Google Meet application for students on 15.05.2021, Saturday, 2 pm to 3 pm.. The Speaker of the Day was Dr.**Shruthi.S**, M.D.S., Reader, Vydehi Dental College, Bangalore and she gave an enlightening talk on “**Resective Osseous Surgery**”.

Dr.Shruthi spoke at length about the various surgical techniques that comprise respective osseous surgery. She went into detail about common bony alterations and how they each influence periodontal health. Dr.Shruthi explained each condition in detail with all supporting

photographs so the students can directly perceive the significance of respective osseous surgery in restoring periodontal health.

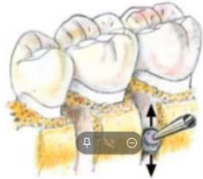

Dr.Shruthi ended the presentation by talking about the various surgical techniques employed and depicted various clinical case scenarios also to clearly demonstrate how each surgical technique is performed.

85 students attended the live webinar and feedback was collected from the students following the guest lecture.
