

## **PLAN PERFECT TO PERFORM PERFECT – THE OGS STORY WEBINAR ON ORTHOGNATHIC SURGERY**

Webinar on Orthognathic Surgery was planned to highlight the importance of treatment planning to get the right treatment outcome. Orthognathic Surgery being an esthetic and an elective surgery, the patient expectation is huge. The surgeon has to deliver good results every time. This webinar was aimed to cover the various recent trends in treatment planning to give the best results for the patients.

Prof. Paul Sambrook was the speaker in the webinar. Prof. Paul is the Director of the Oral and Maxillofacial Surgery Unit, SA Dental Service/Royal Adelaide Hospital/The University of Adelaide. He is also a Visiting Consultant to a number of major public hospitals and runs a busy specialist practice in Adelaide.

The session was moderated by Dr.S. Jimson and Dr.P. Suresh Kumar

Webinar was organized by the Department of Oral & Maxillofacial Surgery and the Association of Oral & Maxillofacial Surgeons of India, Tamilnadu & Puducherry Branch supported the event.
