“OPPURTUNITIES DON’T HAPPEN, WE CREATE THEM!”

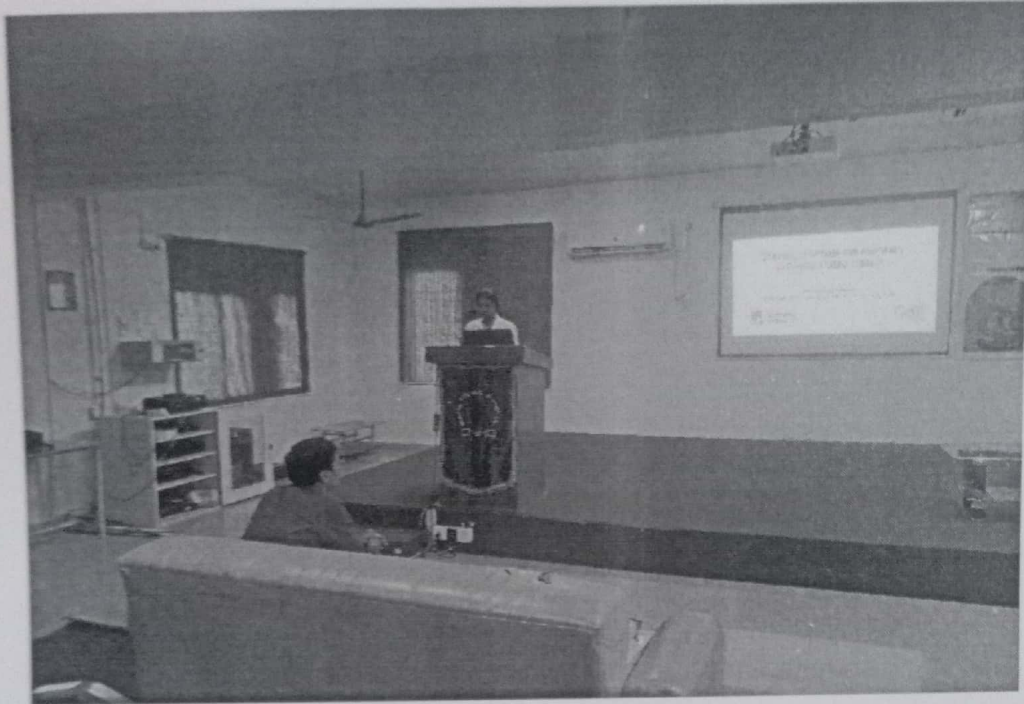

The Department of Public Health Dentistry, Tagore Dental College conducted a guest lecture titled “Opening International Avenues in Dental Public Health”, on Thursday, 23.01.2020 at Tagore Dental College auditorium. Around 117 students and 4 faculties participated in the guest lecture. The guest Speaker was Dr. Mohammed Junaid who is presently persuing his PhD at School of Population and Oral Health (UWA) & Telethon Kids Institute, Nedlands – Western Australia. He is a highly committed, motivated and experienced teacher, researcher and clinician with ardent interest towards Dental Public Health in general and cleft Epidemiology in particular.. He holds various publications, awards, grants and patents to his credits.

The Programme started around 1:30 PM with an introductory note about the speaker. Later, Dr. Mohammed Junaid who continued the session, gave insights to the students on the career oppurtunites of Dental Public Health abroad. He explained the avenues for Dental Public Health at various countries globally like USA, UK, Australia, Canada, and other Middle East and South Asian Countries. He also elaborated on the various screening exams in each country and the eligibility criteria in joining them. The students actively interacted with the speaker

and clarified various doubts to enhance their knowledge on persing dental Public Health as a career.

The session finally came to an end by presenting the speaker, the certificate of appreciation and memento as a token of gratitude by our Principal, Dr. Chitra R Chandran and the students were asked to disperse around 3:00 PM for tea.
