

ORPAT-2016

Our department CDE program on topic “Oral Pathology for general practitioners” was held on 28th January 2016. The program was attended by 260 participants including staffs and students from various colleges. Introduction of speaker Dr. Ranganathan was given by Dr. K. A. Shankar. Dr. Ranganathan discussed on topic ‘Oral lesions in clinical practice’. He delivered lecture for about 1 hour followed by interactive session with students. The second speech was delivered by Dr. Chitra R. Chandran followed by Dr. Sujatha. Dr. Elango gave last lecture of the program. The speakers were felicitated with memento and certificate. Program concluded with vote of thanks by Dr. Sai Krishna. ORPAT 2016 quiz competition for undergraduate students was conducted in the afternoon session. 9 teams from various colleges participated in quiz. Audience gave feedback that program was resourceful and informative
