19.7.17

Lecture to commemorate Oral Hygiene Day

Topic : Diagnosis and framing a treatment plan for periodontal diseases

Speaker : Dr. ShankarRam MDS, Professor, Department of Periodontics,
Thai Mookambigai Dental College, Chennai

Venue : Tagore Dental College & Hospital Auditorium

Programme summary

This programme was organized as a part of Oral Hygiene Day celebrations to be held on 1.8.17.

This programme mainly targeted BDS Interns, for them to be proficient in identification and diagnosis of periodontal diseases and to frame a treatment plan for the same.

The programme started with a Welcome address by our Principal, Dr. Chitraa R Chandran, who gave a short introduction about the speaker and the need to conduct these kinds of lectures.

This programme was attended by 50 Interns who were present there. The speaker, Dr. ShankarRam is a Professor in a reputed dental institution. The lecture included a power point presentation with the clinical photographs to identify various periodontal diseases followed by an interactive discussion. The lecture was well received and the students actively participated in the discussion initiated by the speaker.
