A passionate & prolific clinician, Prof. Dr. Narasimhan Bharadwaj is the Founder - Director of Access™ Dental Institute - Root Canal Center (Estd 2001), a specialty Dental Clinic cum Advanced & Microscope Enhanced Root Canal Training center, Kilpauk, Chennai. He is into clinical practice for the last 17 years and has presently carved a niche for himself in the field of Microscopic Endodontics globally. Being the first person in India to install and use the Carl Zeiss Extaro 300 microscope in his practice, his field of interest include complex re-treatment, instrument retrieval, tracing missed canals etc.

Presently designated as Professor Dept. of Conservative Dentistry at Saveetha Dental College, Chennai, he graduated his BDS from the prestigious Govt. Dental College, Chennai and completed his Masters in Conservative Dentistry & Endodontics from Meenakshi Ammal Dental College, Chennai. He was a Gold Medalist and was conferred the Best Outgoing Post-graduate student award (2004), by the Federation of Operative Dentistry of India (FODI) & Indian Endodontic Society (IES). Academically he is an eminent speaker with over 250+ Invited Guest Lecture deliberations Nationally and Internationally and authored about 15 Scientific Papers in various State and National Conferences. He has won 6 Original Scientific Best Paper Awards at various forums and has authored about 14 Indexed Publications to his credit. Further, he is the Managing Trustee of Community Dental Clinic - Charitable Trust that is run primarily for the underprivileged with simultaneous clinical training to dentists.

REPORT :

A program was conducted on Magnification assisted rotary endodontics (lecture and hands-on workshop) by Dr. Narasimhan Bharadwaj on 24th February, 2021. The dignitaries included Dr. Kurinji Amalavathy, Head of Department, Conservative dentistry and endodontics, Sathyabama Dental College, Chennai. The lecture presentation was an interactive session catering all the students and staffs.

Dr. Narasimhan Bharadwaj gave his valuable inputs on how to venture into the field of magnification. The lecture session was followed by Hands-on workshop where Dr. Narasimhan Bharadwaj demonstrated rotary endodontics under dental operating microscope. All the participants were also given a starters kit.
