VOTE OF THANKS	1.30pm – 1.45pm	Dr.S.Jimson

### Report:

The “**MUCORMYCOSIS EXPERT PANEL DISCUSSION**” started at 11.00am.

Welcome address was given by Prof.Dr.S.Jimson. The Principal Prof.Dr.C.J.VenkataKrishnan addressed the gathering and gave an insight into the importance of this panel discussion for the present pandemic scenario.

The Discussion started by 11.10 am, moderated by Dr.Suresh Kumar .The discussion consisted of expert panelists who shared their knowledge on Mucormycosis and its fatal bridge with the present Pandemic.

A Detailed explanation on the disease was given by Dr.Babu Manohar followed by Dr.Nehal Patel who talked on the pathogenesis of the disease . Dr. George Paul shared the dental aspects and intra oral manifestations of the disase and also questioned on the pathogenesis and the extra oral involvement of the disease ,to the other expert panelists.Case presentations was done by Dr. Nehal Patel and Dr.Nisar Sonam Poonam .The presentation was later passed on to by Dr.Ram Gopalakrishnan who talked on the recommended medication , respective dosages and existing protocols .later , a short conclusive discussion was done by the panelists followed by questioning session for the participants .The program concluded with the vote of thanks by Dr.S.Jimson.

The program was attended by more than 500 members in the ZOOM app platform, and 327 members in the LIVE – YOUTUBE Interface. It was highly beneficial for more 800 participants inclusive of undergraduates, post graduates and faculties from various medical and dental disciplines. The program received a good feedback from the participants.

**PROGRAM FEEDBACK:**

A feedback form was given at the end of the discussion for the participants. The participants were asked to assign a score for the discussion session and resultant was calculated.

PARTICIPANTS SCORE	PERCENTAGE
5	60%
4	20%
3	10%
2	9%
1	1%

The Program received a very optimistic feedback. The score sheet for the program was analyzed and 90 percentage of the majority of the participants have found the program exceedingly informative and to the point.
