<b>EVENT</b>	<b>DENTAL AND ORAL CANCER SCREENING</b>
--------------	---

### **Cancer screening for college transport drivers**

Two days Oral screening camp for cancer was organised to all transport drivers in the at Anna Nagar and Vadapalani bus depots in collaboration with Rotary club of Chennai for detection of any oral lesions and swab test were taken for susceptible cases. Around 250 transport workers were benefitted out this program and the program set as an eye opener for this group of population.

### **Awareness campaign & human chain formation**

Our college joined hands with Adyar cancer institute and Indian dental association madras branch, in forming cancer awareness human chain at Besant Nagar beach, Chennai to raise awareness about detection and treatment of cancer among the general public. The human chain bird view was wonderfully captured and the program was jewelled by the presence of Dr Shantha, the pioneer in cancer prevention and celebrity Ms Gowthami, a cancer survivor.
