The Department of Oral and Maxillofacial Surgery had organised road traffic awareness campaign, basic life support lectures and dental screening camps at several locations and colleges in Chennai during the period of 1<sup>st</sup> and 2<sup>nd</sup> week of February. Cherry on top of the cake was the road traffic awareness campaign which was conducted for the public at Vandalur traffic junction. It received an excellent public feedback. Following which, several basic life support lectures were conducted in more than 5 Engineering colleges in and around Chennai. The grand Oral and Maxillofacial Surgeon's day celebration happened following the series of competition conducted for the students which includes art, quiz, essay writing and suturing.

Mr.R.Srinivasan, Inspector of Police, traffic division, Tambaram circle, was invited to the program as chief guest. The OMFS celebration program started by 10 AM. The welcome speech was delivered by Dr. R. Riaz, HOD, followed by the program inauguration, principal speech, chief guest speech, prize distribution, finally an AV presentation of department achievements 2023. At the end of the morning, snacks and refreshments were served. The program was a grand success; it was attended by nearly 40 faculties and 120 students.

"Books and doors are the same thing. You open them, and you go through into another world." – Jeanette Winterson. The voracious reader you are, the wiser you become. Wanting of staffs and students to make use of the literary resource available in the ocean of books, the Reading Club of Tagore Dental College and Hospital, with immense pleasure, would like to let you know that a book exhibition was conducted in collaboration with the Book-chor in the premises of our institution on the 16<sup>th</sup> and 17<sup>th</sup> of April 2024 wherein all staffs and students benefited by buying second hand books in minimal prices.

The program started on 16/04/2024 at 9:00 AM. The book exhibition was organised by reading club headed by Dr. Vandana James, Professor, Department of Conservative Dentistry and Endodontics. The book-chor organizers displayed various genres book and there was a lot of students and staffs who availed this facility to buy books at a very minimal price. Various heads of the department visited the stall.

The book-chor being called as the Robinhood of the world of books sent us a great team to aid us in buying books without a hitch.

## REPORT

The photography club has been active and conducting various activities and programs at Tagore Dental College & Hospital over the years. The participation of students as well as staff in the activities conducted by the club. The photography and cultural clubs comprise the singing, dancing, and Art clubs.

The photography club conducted a **“BEAUTY OF NATURE IN SUMMER”** contest from 3<sup>rd</sup> May to 12<sup>th</sup> May 2024. 20 students participated and captured candid pictures of nature during this season. It was difficult to select a winner due to the extensive photography skills exhibited by the participants. Students have actively taken pictures of nature, people, wildlife, and other aspects of nature. The winner was awarded by the end of the program. A glimpse of the photograph taken by the participants has been shared in this report. A list of participants has also been attached here.

## WORLD ORTHODONTIC HEALTH DAY 2024

The WFO has proclaimed May 15th as World Orthodontic Health Day, a day that orthodontists around the world can celebrate and highlight orthodontics. The WFO Executive Committee chose May 15 for World Orthodontic Health Day as it marks the signing of the WFO's charter in 1995 during the 4<sup>th</sup> International Orthodontic Congress® in San Francisco. The theme for 2024 is based around the transformational power of specialist orthodontic treatment. The images used in this theme are inspired by family, relationships, and promoting self-confidence.
