women professionals

sports:

Chennai, May 2: The ISIRAE Chennai Chapter recently celebrated the achievements of women in the construction industry with a landmark event titled 'FemTech 2024'. This special gathering, held exclusively for female professionals in HVAC&R, marked a pioneering effort by the chapter to uplift women in a field traditionally dominated by men.

The event saw an impressive assembly of women from both professional and academic backgrounds. Esteemed female leaders and specialists in the industry

graced the event, uniting to honor the vital role of women in construction. 'FemTech' aimed to create a collaborative space for women to exchange knowledge, build connections, and stay abreast of the latest advancements and opportunities within HVAC&R. The program included a rich array of sessions and panel discussions spanning numerous subjects.

A key feature of the event was the series of keynote speeches delivered by distinguished figures such as Arjo Mary, Director of DANFOSS India, Bhavani Mishra,

Principal Architect at L&T Construction; Kuthika, Green Building Consultant at Green Sketch; Ms. Shashi Rekha, Chief Idea Officer at Space Studio; and Shobal Bhatia, Founder of the Real Women Global Community. These industry luminaries highlighted the critical role of gender diversity and inclusivity in fostering innovation and growth within the construction sector, addressing topics like architectural excellence among women, sustainable construction, the design of India's inaugural bullet train stations, and the role of

women in manufacturing. The event also shone a spotlight on the personal triumphs of women who have advanced in their fields, inspiring participants to defy conventions, confront biases, and chase their ambitions with vigor and self-assurance, thereby enhancing their professional competencies.

A particularly memorable segment was the Fireside chat titled 'Empowering Women in Construction' with Ms. Shobal Bhatia, which further underscored the event's theme.

Chennai, May 2: Stating that India was witnessing record growth in all round sectors including emerging as a global economic leader, the country was also emerging as a power to reckon with sports at the world level, Dr. T.R. Paavendhar, Honourable MP and Founder & Chancellor, SRM Institute of Science and Technology, said on Wednesday.

Addressing the gathering at an event to honour Neetha Kumaran, who has qualified for Paris Olympics to be held this year in the women's dainty (ILCA 6) category, Dr. Paavendhar lauded the hard work, commitment, and determination of the athlete to qualify for the Olympics and represent India. An associate of SRMIST, Neetha Kumaran who completed her B.Tech in Mechanical Engineering from SRMIST, is currently pursuing her MBA from SRMIST.

Dr. Paavendhar said that
