## RECITALS

Whereas, Dr.K Balaji and Mr Ram Kumar desire to offer programs including, but not limited to, joint educational and research programs for the students and faculties of both the Universities/institutions and have agreed to offer such programs on the terms and conditions contained herein.

NOW, THEREFORE, for and in consideration of their mutual promises and understanding, the parties agree as follows:

### **I. Scope of the MOU:-**

#### **A. Exchange of Information.**

The two institutions will work to develop agreements or programs for exchanging academic, research and other educational materials.

#### **B. Cooperation for Development of Resource.**

The two institutions will explore avenues to develop financial resources to support educational activities sponsored under this Agreement, including joint grant proposals.

In each of the above mentioned areas of cooperation and any other areas in which the two institutions wish to cooperate, detailed arrangements can be developed through separate memoranda of understanding, exchange of letters, appendices or other written agreements, all of which must be signed in writing by both parties to be effective.

### **II. Term and termination**

- (a) This MOU shall remain in effect from the date of signing for a period of five years. The MOU may be extended or renewed for additional periods of time upon the mutual written consent of the parties subject to such terms and conditions as the parties shall determine.
- (b) If either party believes the stated purposes of this MOU are not being fulfilled, the other party shall be notified of the areas of concern in writing. Both parties shall attempt to resolve those concerns through common efforts. If no solution can be achieved, either party may terminate this MOU by providing written notification at least (6) Six months in advance; provided, however, that such termination shall not take effect with respect to students already enrolled in the programmes until such students have been provided an opportunity to complete their coursework.
- (c) If the termination is for the other party's non-compliance with any material term of this MOU, the party desiring to terminate will contact the other party in writing, and such party shall have thirty (30) days to correct the situation(cure period). If the situation is not corrected after the thirty(30)) day cure period, the termination shall be effective immediately following the thirty(30) day cure period; provided, however, that such termination shall not take effect with respect to students already enrolled in the programs until such students have been provided an opportunity to complete their coursework.
- (d) SDG may immediately terminate this MOU in the event that there is a change in law regulation or policy of the Government in the country in respect of MOU with foreign agencies.

#### IV. FORCE MAJEURE

If as a result of an act of force majeure, including without limitation, an act of nature, war, riot, labor dispute, strike, threat thereof, intervention of a Government agency or instrumentality, or other occurrence beyond the reasonable control of either party, a party is hindered in performing its obligations hereunder or is thereby rendered unable to perform its obligation hereunder, then, in such event, such party shall have the right, upon notifying the other of the occurrence of force majeure as herein defined, to suspend performance until the event of force majeure has passed. In the event that either party is unable to perform for a period in excess of two(2) months at any time after the commencement date of this MOU due to an act of force majeure, the other party may, at its option, terminate the MOU.

#### V. DISPUTE RESOLUTION

In the case of any dispute that may arise in future shall be resolved through mutual consultation and discussion. All efforts shall be made by both the parties to iron out the differences, if any, and in the event of not being able to resolve the tangle, the issue may be resolved through Arbitration.

#### VI. INDEPENDENT CONTRACTORS.

The parties are independent contractors of one another. Nothing in this MOU shall be construed to create a partnership, joint venture, agency, or employment relationship between the parties. Neither party is authorized or empowered to act as agent for the other for any purpose and shall not on behalf of the other enter into any contract, warranty, or representation as to any matter.

#### VII. LEGAL JURISDICTION

This MOU shall be governed by and construed in accordance with the laws of the Government of India.

In witness whereof, the parties have caused this MOU to be executed by their duly authorized representatives on the date first written below:

The parties recognize that the people of the country, suffering from Oral Precancerous lesion & conditions and Oral Cancer are yet to benefit from early diagnosis, awareness and quality oral cancer treatment. The parties have together agreed to develop an atlas of oral precancerous lesions and conditions and established cancer cases.

*Committed to Dental Excellence*

Party A will provide Party B with the software to enter all the information regarding pre-malignant lesion, conditions and oral cancer cases and maintain the database.

1. Party B will systemically collect the said data in order to understand trends in oral cancer occurrence over the country, and enter it in the National Oral Cancer Registry (NOCR) database using the software that Party A has equipped them with.
2. Enter correct, authentic & complete information of all the pre-malignant lesions, conditions & oral cancer cases, registered with the institution i.e. party B; which includes all new and on-going treatment, treated cases.
3. Party B will have access to all the data entered by them.
4. Only Party A and Party B will have access to the data and the patients' confidentiality will be maintained.
5. All the data collected in this database will be compiled in a report at the end of the year and party B will get credit for the data entered by them, if and where Party A publishes this data.
6. At the end of each year, the institution that provides and maintains maximum authentic data in that year will be recognised at the **Indian Dental Conference of the following year**, and be felicitated for the same.

This Collaboration will be in place through this MoU from 1<sup>st</sup> Day of September 2020 for a period of 3 years, till 31<sup>st</sup> August, 2023

## II. Term and termination.

- (a) This MOU shall remain in effect from the date of signing for a period of Five years. The MOU may be extended or renewed for additional periods of time upon the mutual written consent of the parties subject to such terms and conditions as the parties shall determine.
- (b) If either party believes the stated purposes of this MOU are not being fulfilled, the other party shall be notified of the areas of concern in writing. Both parties shall attempt to resolve those concerns through common efforts. If no solution can be achieved, either party may terminate this MOU by providing written notification at least (6) Six months in advance; provided, however, that such termination shall not take effect with respect to students already enrolled in the programmes until such students have been provided an opportunity to complete their coursework.
- (c) If the termination is for the other party's non-compliance with any material term of this MOU, the party desiring to terminate will contact the other party in writing, and such party shall have thirty (30) days to correct the situation (cure period). If the situation is not corrected after the thirty(30) day cure period, the termination shall be effective immediately following the thirty(30) day cure period; provided, however, that such termination shall not take effect with respect to students already enrolled in the programs until such students have been provided an opportunity to complete their coursework.

## III. FORCE MAJEURE

If as a result of an act of force majeure, including without limitation, an act of nature, war, riot, labor dispute, strike, threat thereof, intervention of a Government agency or instrumentality, or other occurrence beyond the reasonable control of either party, a party is hindered in performing its obligations hereunder or is thereby rendered unable to perform its obligation hereunder, then, in such event, such party shall have the right, upon notifying the other of the occurrence of force majeure as herein defined, to suspend performance until the event of force majeure has passed. In the event that either party is unable to perform for a period in excess of two(2) months at any time after the commencement date of this MOU due to an act of force majeure, the other party may, at its option, terminate the MOU.

(AIMST and TDCH hereinafter referred to singularly as "the Party" and collectively as "the Parties");

**WHEREAS** the Parties:-

**DESIRING** to strengthen and further develop the friendly relations between the Parties in the field of academic programmes related to dentistry courses;

**APPRECIATING** the importance of enhancing tertiary education for economic development as well as a means to further develop the ties between both Parties;

**CONVINCED** of the necessity for a lasting and effective cooperation in the interest of the Parties; and

**BELIEVING** that such cooperation would serve their common interests and contribute to the enhancement of tertiary education for the benefit of both Parties.

**NOW BOTH PARTIES HAVE AGREED as follows:**

## **ARTICLE I OBJECTIVE**

The Parties, subject to the terms of this Memorandum of Understanding and the laws, rules, regulations and national policies, of each Party from time to time in force, agree to strengthen, promote and develop cooperation in tertiary education, as well as the development of activities for the purpose of mutual recognition.

## **ARTICLE II AREAS OF CO-OPERATION**

1. Each Party will, subject to the laws, rules, regulations, procedures and national policies from time to time in force governing or relating to the subject matter of this Memorandum of Understanding, endeavour to take necessary steps to encourage and promote co-operation in the following areas :-
  - a) Mobility programme for students including study visit, and or industrial visit, etc.
  - b) Franchise programme and joint initiation for pathway study progression and/or joint, degree and/or twinning programmes
  - c) Faculty staff mobility including e.g. guest lecture and co-lecture, visiting
  - d) Teaching and collaborative research project, conferences, seminars, certificate courses and workshops, etc.

- e) Exchange of information in the areas of learning, teaching and research requirements by sharing library/laboratory resources, publications and patents.
  - f) Bilateral programmes and/or projects between Parties that will mutually benefit the Parties; and
  - g) Any other areas of co-operation in the field to be mutually agreed upon by the Parties.
2. For the purpose of implementing the co-operation in respect of any area stated in paragraph 1, the Parties will enter into a legally binding agreement subject to terms and conditions as mutually agreed upon by the Parties.
3. The Parties will have the right to use and publish any information derived from implementing the cooperation in respect of any area stated in paragraph 1 provided that written consent is obtained from the other Party. In the event that one Party wishes to publish, disclose and/or present (in any form of disclosure) the data and/or the outcomes arising from this Memorandum of Understanding, the Party will submit a draft of each such publication or presentation to the other Party and give the right to have certain parts of the said publication or presentation to be removed or amended by the other Party itself. In any such publication, the contribution of the Parties will be acknowledged.

### **ARTICLE III**

#### **PROJECT STEERING COMMITTEE**

1. The Parties will establish a Project Steering Committee (hereinafter referred to as "Project Steering Committee") to review the implementation of this Memorandum of Understanding between the two Parties.
2. The Project Steering Committee will consider ways and means to promote the aforesaid objective and to ensure the proper coordination and implementation of

its decisions and/or recommendations. The Project Steering Committee will also review the progress of the implementation of all understandings concluded between the Parties within the framework of this Memorandum of Understanding and take steps to ensure the active and prompt implementation of the understandings.

3. The Project Steering Committee will be chaired by the Vice Chancellor of AIMST or alternatively by the Faculty Dean of Dentistry of AIMST and by the Chairperson of TDCH or alternatively Principal of TDCH on behalf of TDCH, with participation by other relevant stakeholders of the Parties, Dr B Bhuvaneswari, as coordinator of TDCH and Dr. Priyadarshini of AIMST, as appropriate and mutually agreed upon by the Parties.
4. The Project Steering Committee will meet at a date and venue convenient to and decided upon by the Parties. In case of pandemic, virtual meetings can be conducted on convenient date.
6. The composition and procedure of the Project Steering Committee will be jointly decided upon by the Parties.
7. The decisions and other conclusions of the Project Steering Committee will be reflected in the minutes of the meeting and the Parties will take appropriate steps to implement these decisions and conclusions as soon as practicable.

#### **ARTICLE IV IMPLEMENTATION**

In the implementation of this Memorandum of Understanding, AIMST and TDCH will arrange the details of any activities to be carried out, recognizing that the exchange of any staff or materials will not necessarily be simultaneously reciprocal.

**ARTICLE V**  
**FINANCIAL ARRANGEMENTS**

1. This Memorandum of Understanding will not give rise to any financial obligation by one Party to other.
2. Each Party will bear its own cost and expenses in relation to this Memorandum of Understanding.

**ARTICLE VI**  
**PARTICIPATION OF THIRD PARTY**

Either Party may invite the participation of a third party in the joint activities and/or programmes being carried out under this Memorandum of Understanding subject to written approval of the other Party. In carrying out such joint activities and/or programmes, the third party will be subject to all conditions and provisions of this Memorandum of Understanding unless the Parties agreed otherwise.

**ARTICLE VII**  
**PROTECTION OF INTELLECTUAL PROPERTY RIGHTS**

1. The protection of intellectual property (IP) rights will be enforced in conformity with the national laws, rules and regulations of the Parties.
2. The use of the name, logo and/or official emblem of any of the Parties on any publication, document and/or paper is prohibited without the prior written approval of either Party.

3. Notwithstanding anything in paragraph 1 above, the intellectual property rights in respect of any technological development, and any products and services development, carried out :-
  - (i) jointly by the Parties and obtained through the joint activity effort of the Parties, will be jointly owned by the Parties in accordance with the terms to be mutually agreed upon; and
  - (ii) solely and separately by either Party and obtained through the sole and separate effort of either Party, will be solely owned by the Party concerned.
4. The Parties agree that if any joint projects are undertaken in the course during the active duration of the signed Memorandum of Understanding, they would follow the terms mentioned in paragraph 2 of Article II, to avoid any conflict pertaining to intellectual property (IP) ownership. Therefore, the Parties acknowledge and agree that separate contractual document(s) shall be entered into between AIMST and TDCH in relation to IP ownership and commercialization prior to starting any joint projects.

### **ARTICLE VIII CONFIDENTIALITY**

1. Each Party undertakes to observe the confidentiality and secrecy of documents, information and other data received from, or supplied to the other Party during the period of the implementation of this Memorandum of Understanding or any other agreements made pursuant to this Memorandum of Understanding .
2. The Parties agree that the provisions of this Article will continue to be binding between the Parties notwithstanding the termination or suspension of this Memorandum of Understanding .
