GOALS & OBJECTIVE

- To offer quality health care services to all strata of society.
- Create a supportive environment for the demanding and intellectually stimulating courses.
- Enable the students to cultivate the desire for lifelong learning and maximize their potential.
- To equip students to become decision makers & innovators in our globalised economy.
- To inculcate a truthful, responsible attitude for patient and community care, with good softskills.
- To provide state of the art infrastructure.
- To contribute to social, economic and national development.
- To felicitate research and share knowledge for the benefit of the society.
- To establish a team of well-equipped faculty to enable the institution to grow holistically and achieve the above objectives.
