Aug 18, 2023

To
Dr C J Venkatakrishnan,
Principal,
Tagore Dental College & Hospital,
Chennai - 600 127.

Sir,

Sub :- Your request for allocation of CDE points for your CDE programme - Reg.

Ref :- Your letter dated 16.08.23.

With reference to your letter cited, it is informed that 05 (Five) points are allotted to your programme :

CDE Programme :- "WORKSHOP ON CBCT"

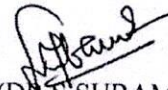

Date :- 01st September 2023

You are requested to include the following information in the CDEP certificate to be issued to the participating dentists.

1. TNDC approval No. 288 / 23
2. TNDC Regn. No. :-
3. Credit points: - 05

Kindly send a draft format of the CDEP Certificate incorporating the above particulars to this Office. You are requested to send the attendance particulars with (i) Registration Numbers and (ii) Signatures of dentists of this Council to this Office within 2 weeks after conduct of the said CDE programme. In the attendance list, if the signature of any dentist is not found, the credit points will not be given to that dentist. Strict compliance to the above is mandatory to permit allocation of CDE credit points to future programmes, conducted by you / your organization.

Yours sincerely,

CDE PROGRAM

A CDE Program was organized by Department of Oral Medicine and Radiology, Tagore Dental College and Hospital in association with IDA CHENNAI METRO BRANCH on 1.09.2023(Friday) from 9.00 AM to 3:00 PM at Dr.A.P.J.Abdul Kalam Auditorium on the topic “CBCT–PRECISION IN DIAGNOSIS” along with Hands on workshop on CBCT.

Speaker Dr.V.Jayanth Kumar, MDS,Ph.D,Professor, Department of Oral Medicine and Radiology,Saveetha Dental College And Hospital was invited for the program.

Dr.Jayanth Kumar.V had qualified from Saveetha Dental College in the year 2007. He completed his masters from Meenakshi Ammal Dental College in the year 2013 as a University topper. He is currently working as a Professor in Oral Medicine and Radiology department and Assistant dean of faculties in Saveetha Dental College. He has numerous awards and 39 publications to his credit. His active research areas of interest are immunology of mucosal lesions and CBCT imaging. He has delivered numerous guest lectures.

The program was held on 1.9.2023 in the auditorium, Tagore Dental College & Hospital. There were 48 participants including post graduate, undergraduate students, faculties and private practitioners from various colleges. The aim of the program was to orient and educate dental professionals about CBCT.The programme was credited with 4 CDE points by the Tamilnadu Dental Council.

Sir,

Sub :- Your request for allocation of CDE points for your CDE programme - Reg.

Ref :- Your letter dated 25.09.23.

With reference to your letter cited, it is informed that 04 (Four) points are allotted to your programme :

CDE Programme :- "Dentistry Unveiled: Bridging Generations with Geriatric Dentistry"

Date :- 18th October 2023

You are requested to include the following information in the CDEP certificate to be issued to the participating dentists.

1. TNDC approval No. 320 / 23

2. TNDC Regn. No. :-

3. Credit points: - 04

Kindly send a draft format of the CDEP Certificate incorporating the above particulars to this Office. You are requested to send the attendance particulars with (i) Registration Numbers and (ii) Signatures of dentists of this Council to this Office within 2 weeks after conduct of the said CDE programme. In the attendance list, if the signature of any dentist is not found, the credit points will not be given to that dentist. Strict compliance to the above is mandatory to permit allocation of CDE credit points to future programmes, conducted by you / your organization.

Yours sincerely,

(DR M. RAMASAMY)

PROGRAM REPORT

On account of "World Geriatrics Day", Department of Public Health Dentistry of Tagore Dental College and Hospital in collaboration with **Indian Association of Public Health Dentistry, Tamil Nadu Chapter** organized a CDE program on the theme "**Dentistry Unveiled: Bridging Generations with Geriatric Dentistry**" on October 18th 2023. Pre-recorded Poster competition for Undergraduates, Post-graduates and faculties of dental colleges was also conducted in the CDE Programme.

The main focus on this CDE program was to inculcate the importance of providing Oral health care among the students. The Continuing Dental Education (CDE) program at Tagore Dental College, organized by the Department of Public Health Dentistry, aimed to address the unique oral health needs of the elderly population. This program sought to equip the students with advanced knowledge and skills essential for providing specialized care to

geriatric patients. By focusing on the specific challenges and considerations associated with aging, the CDE program contributed to enhancing the quality of

Ref.No.TNDC/TDCH/384/CDE-P/23

To,
Dr C J Venkatakrishnan,
Principal,
Tagore Dental College & Hospital,
Chennai - 600 127.

Sir,

Sub :- Your request for allocation of CDE points for your CDE programme - Reg.

Ref :- Your letter dated 15.11.23.

With reference to your letter cited, it is informed that 05 (Five) points are allotted to your programme :

CDE Programme :- "3D Orthodontics & It's Applications in Orthodontics"

Date :- 24th November 2023

You are requested to include the following information in the CDEP certificate to be issued to the participating dentists.

1. TNDC approval No. 384 / 23
2. TNDC Regn. No. :-
3. Credit points: - 05

Kindly send a draft format of the CDEP Certificate incorporating the above particulars to this Office. You are requested to send the attendance particulars with (i) Registration Numbers and (ii) Signatures of dentists of this Council to this Office within 2 weeks after conduct of the said CDE programme. In the attendance list, if the signature of any dentist is not found, the credit points will not be given to that dentist. Strict compliance to the above is mandatory to permit allocation of CDE credit points to future programmes, conducted by you / your organization.

Yours sincerely,

(DR S. SUBAMEENA) (DR M. RAMASAMY)

SUMMARY

Department of Oral and maxillofacial Pathology, Tagore Dental College & Hospital, conducted **CDE PROGRAM ON PLATELET CONCENTRATES**. The program was held on 12th December 2023, in the Dr.A.P.J Abdul Kalam auditorium, Tagore Dental College & Hospital. There were 23 participants (undergraduate students) and staffs. There were three lectures by eminent speakers. The aim was to orient and educate dental professionals about preparation of PRF, PRP and its application. The program started with Tamil Thai Vazhthu and lighting of Kuthuvilaku by the dignitaries, followed by the Vice Principal's Speech by Dr. S.Balagopal, Vice Principal Academics.

The **CDE** was started as planned with the first lecture on the topic, '**INTRODUCTION TO PRF and PRP**' by Dr. A.Hemalatha, Senior Lecturer, Department of Oral pathology, Tagore Dental College and Hospital.

The second lecture was on the topic, '**PRF APPLICATION IN PERIODONTICS**' by Dr.B.Bhuvaneshwari, Professor and Head, Department of Periodontics, Tagore Dental College and Hospital.

The third lecture was on the topic, '**PRF APPLICATION IN PEDODONTICS**' by Dr.R.Jayaprakash, Professor and Head, Department of Pedodontics, Tagore Dental College and Hospital. The speakers were honored with a memento and certificate.

It was followed by **DEMONSTRATION ON - PRP & PRF** for the participants.

The participants were appreciated with certificate of participation.

PROGRAM REPORT

CHANCE TO TRANCE (Sedation –Oral and Intranasal)

One of the most common challenges faced by pediatric dentists in daily practice is child behavior management. Treating children with negative behavior is almost difficult even for an experienced pediatric dentist. In this situation the uncooperative children can be brought to cooperative behavior by using sedative drug administration techniques.

Our guest speaker **DR. S. Navaneetha Krishnan, MD DNB** Professor of Anesthesiology, Saveetha Medical College Hospital gave an informative lecture about the oral and intranasal sedation. Sir trained the participants on administration of oral midazolam and intranasal dexmedetomidine. The students benefitted from this interactive and enlightening session which will improve their knowledge & clinical skills on administration of sedative drugs.

Questions Responses 14 Settings

What were your key take aways from this event?

14 responses

- Behaviour management through sedation
- Administration of sedatives makes behaviour management much easy
- Intranasal sedation dosage
- Enhanced knowledge on intranasal sedation
- Oral and intranasal sedation can be done in dental clinic which is little time consuming but works as wonder. It has got both sedative and analgesic effect. less painful and patient is very comfortable throughout the procedure. I would like to implement this technique in my practice.
- Topic for discussion
- First time I have had a demo on intra nasal sedation

GREETINGS FROM TAGORE...

Prof. Dr. R. Riaz
Chairperson

Dr. C.J. Venkatakrishnan
Principal

Dr. S. Balagopal
Vice Principal
Academics

Dr. P. Sai Krishna
Vice Principal
Administration

Oral and maxillofacial surgery is an integral branch of dentistry that deals with diagnosis and treatment, both medical and surgical management of diseases, injuries, developmental defect and pathologies of the hard and soft tissues in the oral and maxillofacial region. The foundational ideas of the above mentioned notions will be covered throughout the session.

In addition, basic medical practice involving dentistry and care of mild to moderate dentofacial surgery primarily involving surgical removal of impacted teeth, cysts and fundamentals of implantology are also introduced to the students. Specific consideration will be given to the use of custom computer designed patient specific implants (PSI) in reconstructive surgery. Every dental student should be able to execute a good oral surgical practice with grace, skill and capability after completing the workshop.

PROGRAM REPORT

On account of "World Cancer Day", Department of Public Health Dentistry of Tagore Dental College and Hospital in collaboration with "**Narain Sewa Sansthan in Tobacco Control And Co Lungs Poisoning**" organized a **CDE program based on theme "Oral Oncology Summit -2024 (hybrid mode) indexed at WHO health initiatives and health for all, Oxford, UK" on February 2nd and 3rd, 2024** at A.P.J Abdul Kalam Auditorium of Tagore Dental College and Hospital.

The conduct of Continuing Dental Education (CDE) Programme organized by the Department of Public Health Dentistry of Tagore Dental College and Hospital on World Cancer Day holds immense significance in creating awareness of Tobacco control. As tobacco use remains one of the leading risk factors for oral cancer, such programs play a pivotal role in educating dental professionals about the detrimental effects of tobacco on oral health and its link to various cancers. By equipping budding dentists with knowledge and resources to effectively counsel patients on tobacco cessation strategies, these programs contribute to broader efforts in tobacco control.

Through this initiative, dental professionals not only enhance their understanding of the role they play in combating tobacco-related diseases but also empower individuals in their communities to make informed choices for healthier lives.

On Day 1 held on February 2nd 2024:

The CDE program started around 1.00pm with the Welcome Address by Dr.Vaishnavi S, Reader and Head In-charge of Department of Public Health Dentistry. Dr.Sai Krishna ,Vice-Principal of TDCH gave memento as a token of honour to the guest speaker Dr.Sachin Sinha. The CDE programme continued with the guest lecture sessions by two guest speakers till 3.15pm.The guest speakers delivered their speech under the following topics. In the second session a tobacco control based Quiz Competition was also also conducted in which the junior interns participated actively.
