PROGRAMREPORT

In Dental curriculum the basic aim of the clinical orientation is to prepare the pre-clinical undergraduates to make them capable of performing their duties and responsibilities better as a student dentist and also to ensure the equality and quantity of work. The clinical student must presume the role of a dentist in order to understand policies and procedures so that he or she can prepare to provide services to their patients once they will receive their Degree of Dental surgeon.

Orientation program was organized by disciplinary committee of Tagore Dental college and Hospital to third year BDS students to make them aware about their duties and responsibilities to be followed while treating patients

Program began on 16/04/2024 at III-year lecture hall by 8.30AM. Dr. Vaishnavi highlighted the importance of orientation program.

Welcome address was delivered by Dr. Vaishnavi, Dept of Public Health Dentistry. Mam gave a warm welcome to the students and inspiring speech to motivate by telling the roles and responsibilities as dental students

PATIENT CARE AND CONCERN was delivered by Dr. Balagopal, Vice-principal academics. Sir enlightened students on taking care of patients and knowing patients' concern and what to do and not to do in the clinical posting, about punctuality in fulfilling the appointments. Sir also highlighted the importance of grooming for dental students and precautions to be taken while treating patients. It was an eye-opening session for all the students.

PROGRAM REPORT

Orientation program on Code of conduct was organized by Disciplinary committee of Tagore Dental College and Hospital to teaching faculty joined from September 2023 to make them aware about their Code of conduct and Ethical guidelines to be followed in the college.

The program started at 2.00PM in the lecture hall 1. Dr. Vaishnavi.S, Member secretary of disciplinary committee enlightened the faculty members on staff code of conduct and ethics.

A total of 17 teaching faculty members were invited to participate in the program of which 2 were unable to attend due to emergency and a total of 15 teaching faculty members had participated in the program.

They were informed about the Ethical guidelines to be followed in their daily practice while interacting and treating patients in the college as well on guiding students, interacting with parents, colleagues and higher authorities.

They were highlighted on the five core values like respect, truth, responsibilities, fairness and compassion.

They were also informed about the dress code, Timings, wearing ID cards, Class/OP adjustments before taking leave, how to deal students coming late to the lecture classes and clinical postings and about their responsibilities for protecting and taking reasonable steps to prevent misuse or damage to Institute assets.

Do's and Don'ts inside the college campus and how the faculty members should take care of their students were also informed to them. They were informed on how to get along with their colleagues and their senior faculty members.

Faculty members were also informed about the Rules and regulations to be followed in the campus. The program ended by 2.35PM.

We thank our chairperson Prof. Mala mam and our Principal Dr. Venkatakrishnan sir for giving us an opportunity and encouragement to conduct this program
