# GENDER HARASSMENT AWARENESS PROGRAMME

**Guest Speaker:** Mr Karunanidhi Retd Superintendent of Police

**Date:** 23/02/2021

Venue: APJ Abdul Kalam auditorium, Tagore Dental College &  
Hospital

Number of participants: 97 students and 15 faculties

Gender sensitization programme was arranged by Internal Complaint Committee. Mr Karunanidhi Retd Superintendent of Police was invited as guest speaker. The programme started at 11 am in the auditorium of Tagore Dental College. Mr Karunanidhi Retd Superintendent of Police was introduced to the students gathered in the auditorium. He was felicitated by VicePrincipal, Dr CJ Venkatakrisnan.

The chief guest enlightened the students on how people get victimised easily by others. One should be able to identify the right persons to be chosen as friends. He also emphasized unnecessary contacts should be avoided and to be cautious in communicating with the people surrounding us especially through social media like facebook, instagram and whatsapp.

He quoted several incidents of crime, which happened due to gender harassment. He made the point clear to the students that they have to report any undue happenings to their parents or staffs in college so that they could be guided and would be helped to resolve the problem.

He also added that each individual should be bold enough to face any situation and focus on their goals.

VicePrincipal, Dr CJ Venkatakrisnan gave the vote of thanks and gave a memento to Mr Karunanidhi.

Report prepared by Dr Bhuvaneswari, Convenor, ICC committee

Meeting of the Dental Education Unit & Curriculum Committee

**Value education and Health & Hygiene program started at 10:00 am.**

All the first years and the CRRI's attended the program through google meet forum and few students attended the lecture from auditorium.

Dr. S. Balagopal (Vice Principal, Academics), Chairman of DEU addressed the gathering and welcomed the speaker Dr. Malathi Selvakkumar, Principal, Collegiate Education, Aachi Educational Research Foundation.

Dr. Chithraa R Chandran, Principal joined the meeting through the online portal and welcomed the speaker of the day and spoke about the importance of continuous Value Education and reminder of the same in every individuals life.

Dr. Geetha Priya, Reader, Department of Conservative Dentistry and Endodontics, gave a brief introduction about the speaker and her accomplishments.

Dr. Malathi Selvakkumar spoke elaborately about ethical values in the life of dentists. She started the presentation saying that "Valueble experience is what ultimately support our students."

She explained the difference between responding and reacting to incidences in life. She spoke about balancing of the different role we have to take during our lifetime. She emphasized on

the importance of anger management. She also added a note on self-love and peace of mind. She mentioned how important it is in this generation as we always tend to work to satisfy others and please others to get a better grade than our peers than self-satisfaction. She cited how there is a talent in each and every one and how they should try to excel in that rather than competing with a person with a different talent. She also emphasized that spending time with friends and family is most important than spending time alone with computers and mobiles. These devices will not come to our aid when we need, only people whom we are close with will do. She also added a note on having empathy and humour than being more materialistic in this generation as spreading love gives more peace of mind. She illustrated a hierarchy of mental health needs and explained the different facets in it.

The best part of the lecture was that for every aspect of Values and health and hygiene she spoke about she exemplified them with stories in her real life and from the various incidences from her experience.

The lecture has truly been eye opening for the students towards the different aspect of life.

The program concluded with a few questions that were answered by the speaker and a lot of appreciations from the students who were attending the program online. Dr Charanya ended the program expressing gratitude to the speaker and the participants.
