GENDER SENSITIZATION PROGRAM REPORT

23/07/2021

The gender sensitization program organized by Internal Complaint Committee was held on 23/07/2021 for the first and third year BDS students virtually on google meet platform. 115 Students and 14 faculties attended the program.

The resource speakers were Members of Indian Association of Obstetric & Gynecology Association. The program started at 10 am with greetings by Internal Complaint Committee Presiding Officer Dr B Bhuvanewari. Welcome address was given by Principal, Dr C J Venkatakrishnan. Lighting of the lamp was done virtually followed with the guest lectures.

LECTURE TOPICS

1. Nutrition – Dr P B Premalatha
2. Menstrual Problems & Hygiene – Dr Geethalakshmi
3. PCOS – Dr Geeta
4. POSH – Dr Vijaya
5. Adolescent Problems in boys – Dr SampathKumari
6. Mental health & Attitude – Dr R Premalatha

Dr P B Premalatha gave useful information about the proper nutritive values of food. She also emphasized the regular intake of proper nutrition at the right time is a must. She also spoke about the proper sleep, exercise which should be followed by the students.

Dr Geethalakshmi spoke about the menstrual problems which the girls undergo and how it should be managed, She also gave tips on menstrual hygiene which is very important to be followed for a healthy life style.

Dr Geeta spoke elaborately on PCOS (Poly Cystic Ovary Syndrome) which is very common among girls nowadays. She spoke how obesity plays a major role in PCOS. She also enlightened how PCOS could be prevented and managed.

Dr Vijaya gave an elaborate lecture on POSH Act. She told what is POSH Act, how and why POSH Act came into action. She told the students about the various forms of sexual harassment that can happen in study place or work place. Students should be able to identify the harassment behavior at the initial stage and should be bold enough to complain to the higher authorities. She said about the importance of Internal Complaint Committee in an institution. She emphasized that sexual harassment should be prevented and how both gender students should behave cordially.

Dr SampathKumari spoke about the adolescent problems in boys. She discussed about methods to overcome those issues. She also emphasized the need to maintain hygiene. She also spoke that ill habits begin due to peer pressure, media and other sources, which should not be adopted.

Dr R Premalatha spoke about mental health and attitude among adolescent and early adulthood students. She explained the various types of anxiety, depression the students undergo due to lifestyle, examination and financial issues. Selfmotivation and confidence is the key to overcome these issues. She emphasized that one should believe themselves to achieve success and not to be depressed due to failures. She told that friends and family are always there during the time of failures and one should visualize their success to achieve their goals. She firmly said to build one's self esteem.

Interactive session with the speakers was held at the end of the programme. Feedback was collected from the students. The program ended at 12.30 pm.
