### Circular

In view of the World Orthodontic Health Day on 15-05-2021, Department of Orthodontics and Dentofacial Orthopedics is happy to announce a week celebration competition for third year, final year students and CRRIs.

The competition consists designing a logo for the department, create reels/short videos pertaining to orthodontics and designing a meme about clear aligners and orthodontic awareness. The last day for submission of the design and reels is 22-05-2021.

Students can do any number of designs and reels. The best three creations will get prize money. Request all the third, final year students and CRRIs to participate and unleash their creativity.

## **REPORT**

The WFO Executive Committee chose May 15 for World Orthodontic Health Day as it marks the signing of the WFO's charter in 1995 during the 4th International Orthodontic Congress® in San Francisco. World Orthodontic Health Day is designed to tie the WFO's past and future together. Every year since May 15, 2017 is declared as World Orthodontic Health Day, and the WFO created a special logo and posters that established the brand identity of this annual celebration.

Department of Orthodontics and Dentofacial Orthopedics had a cake cutting in the department with the post graduates on 15-05-2021.

Department of Orthodontics and Dentofacial Orthopedics announced a week celebration competition for third year, final year students and CRRIs.

The competition consisted designing a logo for the department, create reels/short videos pertaining to orthodontics and designing a meme about clear aligners and orthodontic awareness. The last day for submission of the design and reels was 22-05-2021.

Students were given liberty to do any number of designs and reels as they want. The first three best creations were selected for prize money. Several students participated with utmost interest and enthusiasm. Many demonstrated their excellent creativeness.
